

Notes Button Added for MDS Section GG Documentation

Resident Observation – Nursing Data Entry – Final Discipline GG Decisions

On the GOALS NOTES tab you will see an ADD NOTE button in the lower right corner. Once you have established your performance and goals and type in your decision notes, press this ADD NOTE button.

Below is an example of the NUTRITION department's input into a readmission 3-day observation period.

Section GG Data for NUTRITION Resident: SAM - 01/402 Admission 02/09/2018

Self Care	Positions	Transfer	Walk/Wheel	Goal Notes				
Usual Performance	Discharge Goal	Discipline Notes:						
Eating 05 / 05		This is an example of a nutrition note for the 3-day readmission observations for Section GG. In discussions with family and Sam, they report that he does not have a problem eating his meals but does need assistance with getting the food to the table and opening containers. We believe that he will continue at this level. Etc.						
Oral Hygiene								
Toilet Hygiene								
Sit to Lying								
Lying-Sitting, Side of Bed								
Sit to Stand								
Chair/ Chair-to-bed								
Toilet Transfer								
Walk 50 ft with 2 Turns								
Walk 150 ft								
Wheel 50ft with 2 Turns								
Wheel 150 ft								
06=Independent 05=Setup/Clean-up 04=Supervision/touching					03=Partial/moderate 02=Substantial/maximal 01=Dependent		07=Resident Refused 09=Not applicable 88=Not attempted	
					Add Note			

When you are in Progress Notes, press the green + to add a note. It will pull in the name of the discipline, the resident information, and the note that you added to the screen above. You may then edit, add additional information, assign a category(ies), and sign off on the note.
